| <b>RFQ Number</b>                  | NO-52/2026                                            |
| <b>RFQ Description</b>             | Subscription Based Enterprise Online Survey Platform. |
| <b>Issue Date</b>                  | 16 July 2026                                          |
| <b>Closing Date</b>                | 20 July 2026, close of business                       |
| <b>Submission method via email</b> | itsotetsi@sedfa.org.za                                |

### TERMS OF REFERENCE

#### APPOINTMENT OF A SERVICE PROVIDER TO ASSIST WITH THE SUBSCRIPTION TO AN ENTERPRISE ONLINE SURVEY PLATFORM

##### 1. Purpose

The purpose of this Terms of Reference (TOR) is to appoint a reputable service provider for the provision of a subscription-based enterprise online survey platform. The platform will be used to deploy, monitor, and analyse multiple organizational surveys, including:

- Stakeholder and Customer Satisfaction Surveys
- Staff Satisfaction Surveys
- National and Provincial Stakeholder Surveys
- and SEDFA Brand Awareness Surveys

##### 2. Contract Duration

The contract will be for a fixed period of **12 months**,

##### 3. Scope of Work and Technical Specifications

The appointed service provider must secure an enterprise software subscription that natively meets or exceeds the following requirements:

##### 3.1. Survey Tool Functional & License Requirements

- **User Licenses:** Minimum of **2 or 3** full user accounts (with role-based access controls for admins, editors, and viewers).

- **Survey & Response Volumes:** Unlimited survey creation with capability for high-volume distributions (**up to 5000+ national responses per year**).
- **Advanced Logic & Branching:** Support for skip logic, question piping, block randomisation, and respondent qualification
- **Rich Media Embedding:** Ability to embed brand logos, images, and directly into the survey framework.

### 3.2. Specific Survey Deployment Capabilities

- **Staff Satisfaction (Anonymity):** Strict compliance tools guaranteeing total respondent anonymity, with settings to block IP and metadata tracking to protect internal staff identity.
- **Customer & Stakeholder Tracking:** Built-in calculation modules for standard metrics including **Net Promoter Score (NPS)** and **Customer Satisfaction Score (CSAT)**.
- **National/Provincial Distribution:** Omni-channel deployment engine supporting bulk Email lists, SMS distribution, and dynamic QR Codes.
- **SEDFA Brand Awareness Panel Integration:** Tool capability or native module options to acquire and target external panels (non-customers) for market awareness research.

### 3.3. Security, Privacy, and Compliance

- **Legislative Compliance:** Data hosting infrastructure must fully comply with the **Protection of Personal Information Act (POPIA)** of South Africa, alongside GDPR.
- **Data Security:** Data encryption in transit (SSL/TLS) and at rest, ideally hosted on an ISO 27001 certified platform.

### 3.4. Support and Training Services

- **Onboarding & Configuration:** Custom white-labeling and domain masking configurations (e.g., surveys sent from a [gov.za](https://www.gov.za) or official brand domain).
- **End-User Training:** Conduct two comprehensive functional training sessions for administrative users, covering survey design, report development, data extraction, and system administration to ensure effective utilisation of the platform.
- **Technical Support:** 24/7 technical/desktop support

## 4. Deliverables and Expected Outputs

The service provider will be expected to deliver:

1. **Software Provisioning Report:** Confirmed enterprise subscription access with correct user accounts configured.

2. **System Customisation & Branding Setup:** Verification of white-labeled templates and domain configurations.
  3. **Training Completion Certificates:** Documented training sessions provided to internal staff members.
- 

## 5. EVALUATION CRITERIA

### **5.1. Phase 1: SCM Document Assessment Criteria**

The following assessment criteria will form the basis of the evaluation of all price proposals and failure to comply may result in the elimination of the price quotation for further evaluation:

- 5.1.1.** Submission of completed and signed SBD 4; and
- 5.1.2.** Submission of completed and signed SBD 6.1 documents.

### **5.2. Phase 2: Functionality Criteria**

The following criteria will be used for evaluating all price quotations that met the assessment criteria on the basis of functionality where price quotations must score a minimum of **(70 points)** for functionality to qualify for further evaluation in terms of the 80/20 preference points system.

| No.                                                                                                                          | Evaluation Criterion                                                                                                                                                                                                                                                                                       | Weighting  |
|------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| <b>1</b>                                                                                                                     | <b>Company Track Record &amp; Experience:</b> Proof of experience in provisioning enterprise SaaS/survey platforms. (Provide at least 3 reference letters from similar public/corporate contracts).<br>Three (3) references = 50 points<br>Two (2) references = 30 points<br>One (1) reference = 15 points | <b>50%</b> |
| <b>2</b>                                                                                                                     | <b>Technical Proposal &amp; Methodology:</b><br>A detailed implementation blueprint demonstrating understanding of POPIA alignment, multi-channel rollout, and project plan timelines.                                                                                                                     | <b>40%</b> |
| <b>3</b>                                                                                                                     | <b>Support &amp; Maintenance Plan:</b> Clear operational SLA framework detailing helpdesk response times and platform uptime guarantees.                                                                                                                                                                   | <b>10%</b> |
| <b>Total Points (A FUNCTIONALITY SCORE OF LESS THAN 70 POINTS WILL ELIMINATE THE PRICE QUOTATION FOR FURTHER EVALUATION)</b> |                                                                                                                                                                                                                                                                                                            | <b>100</b> |

### 5.3. Phase 3: Preference Points System

Only qualifying price quotations that achieved the minimum points for functionality will be evaluated further on the 80/20 preference points system as follows:

|                     | Preference Point Criteria         | Points Allocation |
|---------------------|-----------------------------------|-------------------|
| 1.                  | Price                             | 80                |
| 2.                  | Specific Goals as per the SBD 6.1 | 20                |
| <b>Total Points</b> |                                   | <b>100</b>        |

Specific Goals and points claimed are indicated per table below:

| Specific Goals Allocated and Points to claimed in terms of this RFQ                                                       |           |           |           |           |           |           |                                                  |                                                                                  |
|---------------------------------------------------------------------------------------------------------------------------|-----------|-----------|-----------|-----------|-----------|-----------|--------------------------------------------------|----------------------------------------------------------------------------------|
| Indicate the following to support this claim. Failure to provide the required information will result in being forfeited. |           |           |           |           |           |           |                                                  |                                                                                  |
| Indicate Number of <b>Full Time Employed Paid Employees</b> :                                                             |           |           |           |           |           |           | _____                                            |                                                                                  |
| Total Annual Turnover or Revenue:                                                                                         |           |           |           |           |           |           | R_____                                           |                                                                                  |
| Size of Enterprise                                                                                                        |           |           |           |           |           |           | <b>Number of points allocated (80/20 system)</b> | <b>Number of points claimed (80/20 system) (To be completed by the tenderer)</b> |
| Micro Enterprise                                                                                                          |           |           |           |           |           |           | <b>8</b>                                         |                                                                                  |
| Small Enterprise                                                                                                          |           |           |           |           |           |           | 5.6                                              |                                                                                  |
| Medium Enterprise                                                                                                         |           |           |           |           |           |           | 3.2                                              |                                                                                  |
| Large Enterprise                                                                                                          |           |           |           |           |           |           | 0.8                                              |                                                                                  |
